

The Office of Women in Medicine and Science present:
The First Year in a New Position – Transitioning to a Leadership Role
Warren Alpert Medical School, Room 280, Providence, RI
September 27, 2016

FACULTY DISCLOSURE

Speakers have been informed that presentations must be free of commercial bias and that any information regarding commercial products/services be based on scientific methods generally accepted by the medical community. Presentations must give a balanced view of therapeutic options. Speakers must inform the learners if their presentation will include discussion of unlabeled/investigational use of commercial products.

In accordance with the disclosure policy of the Alpert Medical School, Brown University as well as standards set forth by the Accreditation Council for Continuing Medical Education, all CME activity speakers and planners must disclose all relevant commercial financial relationships received within the past twelve months. This activity's disclosures have been reviewed and all identified conflicts of interest, if applicable, have been resolved.

The following speaker has indicated that they have relationship(s) relative to the content of this CME activity:

Nancy Spector, MD

Co-Found and Holds Equity Interest: I-PASS Patient Safety Institut

Grand/Research Support: US Department of Health and Human Services (DHHS), Agency for Healthcare Research and Quality (AHRQ), and Patient Centered Outcomes Research Institute (PCORI).

Note: Any potential conflict of interest has been resolved by the Brown Office of Continuing Medical Education.

The following speakers and planning committee members* have indicated that they have no relationship(s) relative to the content of this CME activity:

Ellen Flynn, MD, MTS

Andrea Goldstein, MPA*

Kathleen M. Haslam*

Patricia Poitevien, MD, MSc, FAAP

Katherine M. Sharkey MD PhD, FAASM*

Fatima Cody Stanford, MD, MPH, MPA, FAAP,

FACP, FAHA, FTOS

Maria Sullivan*

EDUCATIONAL OBJECTIVES

At the conclusion of this activity, attendees should be better able to:

1. Describe obstacles associated with progress and advancement in academia across the life course
2. Explore how practicing authenticity promotes effective leadership
3. Apply best practices and innovative methods and collaborations to promote gender equity in medicine
4. Discuss the potential impact of Covid-19 on gender disparity issues in medicine
