

RECENT ADVANCES IN CARDIOVASCULAR THERAPIES

Program Description

Recent advances in diagnostic modalities and therapeutic options for patients with known or suspected cardiac disease have emerged at a fast pace. Novel treatments for disease management may not be integrated into day-to-day clinical practice due to insufficient knowledge of these new treatment strategies, as well as uncertainty in the selection of appropriate diagnostic and therapeutic options for the right patient, at the right time.

Target Audience

Physicians, physician assistants, nurse practitioners, nurses, residents & fellows specializing in cardiology and primary care.

Competencies Areas

ABMS: Patient care & procedural skills, medical knowledge, practice-based learning and improvement, systems-based practice
IOM: Provide patient-centered care, work in interdisciplinary teams, employ evidence-based practice

Learning Objectives

- At the conclusion of this activity, participants should be able to:
- Describe outpatient management strategies designed to reduce chronic heart failure readmissions
 - Explore the catheter-based options available for patients with atrial fibrillation for rhythm management and cardioembolic stroke prevention
 - Apply cardiac computed tomography in the evaluation and management of patients with known or suspected cardiac disease
 - Differentiate the various treatment options available and understand of the value of a “Heart Team” approach for patients with valve disease
 - Recognize which patients should be screened for aortic pathology, including best practices for evaluation and timing of surgery
 - Identify patients that can be safely discharged on the same day following percutaneous coronary intervention
 - Define the appropriate evaluation strategies and available treatment options for patients with critical limb ischemia

Wednesday, March 24, 2021

5:00–5:10 PM	Welcoming Remarks Athena Poppas, MD, FACC, FASE Frank W. Sellke, MD	6:20–6:40	Interventional Therapies for Valvular Heart Disease Barry L. Sharaf, MD
5:10–5:30	The Care of Heart Failure Patients — Advanced Inpatient Therapies and the Hearts at Home Program Leanne Burke, MSN, APRN-CNP, ANP-BC & Daniel J. Levine, MD	6:40–7:00	Timing and Indications for Referral of Patients with Aortic Pathology Neel R. Sodha, MD
5:30–5:50	Patient Selection for Atrial Fibrillation Ablation and Left Atrial Occlusion Device Procedure Daniel M. Philbin, Jr., MD FACC FHRS	7:00–7:10	Question and Answer Session
5:50–6:10	The Role of Cardiac CT in the Diagnosis & Management of Cardiovascular Pathology Michael K. Atalay, MD, PhD, FSCCT, FSCMR	7:10–7:30	Same Day PCI Program, Not Everyone Needs to Stay Herbert D. Aronow, MD, MPH
6:10–6:20	Question and Answer Session	7:30–7:50	Endovascular Therapies for Critical Limb Ischemia Omar N. Hyder, MD
		7:50–8:00 PM	Question and Answer Session & Closing Remarks

Course Directors

Brian G. Abbott, MD, FACC, MASNC, FAHA
Professor of Medicine, Clinician Educator
Warren Alpert Medical School of Brown University
Associate Chief, Clinical Excellence and Operations
Lifespan Cardiovascular Institute
Rhode Island & The Miriam Hospitals | Providence, RI

Afshin Ehsan, MD
Associate Professor of Surgery, Clinician Educator
Warren Alpert Medical School of Brown University
Director, Minimally Invasive Cardiac Surgery
Lifespan Cardiothoracic Surgery
Lifespan Cardiovascular Institute
Rhode Island & The Miriam Hospitals | Providence, RI

Guest Faculty

Herbert D. Aronow, MD, MPH
Associate Professor of Medicine
Warren Alpert Medical School of Brown University
Director, Interventional Cardiology
Director, Cardiac Catheterization Laboratories
Rhode Island and The Miriam Hospitals
Providence, RI

Michael K. Atalay, MD, PhD, FSCCT, FSCMR
Associate Professor of Diagnostic Imaging
Associate Professor of Medicine
Warren Alpert Medical School
Vice Chair, Imaging Research
Director, Cardiac MRI & CT
Rhode Island & The Miriam Hospitals | Providence, RI
Rhode Island Medical Imaging

Leanne Burke, MSN, APRN-CNP, ANP-BC
Manager for Advanced Practice Providers
Division of Cardiology
Rhode Island & The Miriam Hospitals | Providence, RI

Omar N. Hyder, MD
Assistant Professor of Medicine, Clinician Educator
Warren Alpert Medical School
Director, Vascular Imaging
Lifespan Cardiovascular Institute
Rhode Island & The Miriam Hospitals | Providence, RI

Daniel J. Levine, MD
Clinical Associate Professor of Medicine
Warren Alpert Medical School
Director, Heart Failure and Cardiac Transplant Program
Lifespan Cardiovascular Institute
Rhode Island & The Miriam Hospitals | Providence, RI

Daniel M. Philbin, Jr., MD FACC FHRS
Assistant Professor of Medicine, Clinician Educator
Warren Alpert Medical School
Director, Clinical Cardiac Electrophysiology
Lifespan Cardiovascular Institute
Rhode Island & The Miriam Hospitals | Providence, RI

Athena Poppas, MD, FACC, FASE
Professor of Medicine
Warren Alpert Medical School
Chief, Cardiology Division
Director, Lifespan Cardiovascular Institute
Director, Echocardiography
Lifespan Cardiovascular Institute
Rhode Island & The Miriam Hospitals | Providence, RI
Newport Hospital | Newport, RI
President, American College of Cardiology

Barry L. Sharaf, MD
Associate Professor of Medicine
Warren Alpert Medical School
Director, Angiographic Core Laboratory at Rhode Island Hospital
Lifespan Cardiovascular Institute
Rhode Island & The Miriam Hospitals | Providence, RI

Frank W. Sellke, MD
Karl E. Karlson, MD and Gloria A. Karlson Professor of
Cardiothoracic Surgery
Professor of Surgery
Warren Alpert Medical School
Chief, Division of Cardiothoracic Surgery
Lifespan Cardiovascular Institute
Rhode Island & The Miriam Hospitals | Providence RI

Neel R. Sodha, MD
Associate Professor of Surgery
Warren Alpert Medical School
Director, Lifespan Thoracic Aortic Center
Director, Cardiothoracic Intensive Care Unit
Surgical Director, ECMO and Mechanical Circulatory Support

Registration Information

Register online at: <https://cme-learning.brown.edu/cvi-21>

Registration Fee: \$50.00

Cancellation Policy

Cancellations/substitutions must be made in writing to the Brown CME Office at least two weeks prior to the conference, no later than March 9, 2021. A \$10.00 administrative fee will be charged for all refunds (no refunds for “no shows”). There will be no additional charge for substitutions. This conference is subject to change or cancellation.

Please notify the Brown CME Office in writing at least two weeks prior to the conference to request reasonable accommodations.

For More Information, Contact Brown CME

233 Richmond Street, Providence, RI 02912

P: 401.863.2871 | F: 401.863.2202 | E: CME@Brown.edu

Accreditation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Warren Alpert Medical School of Brown University and Lifespan Cardiovascular Institute. The Warren Alpert Medical School of Brown University is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation

Physicians: The Warren Alpert Medical School of Brown University designates this live activity for a maximum of 3.0 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other Healthcare Professionals: Participants will receive a Certificate of Attendance stating this program is designated for 3.0 hours *AMA PRA Category 1 Credits™*. This credit is accepted by the AAPA and AANP.

Nurses: This nursing continuing professional development activity was approved by the Northeast Multistate Division Education Unit, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. 3.0 Contact Hours, Program Approval Code #: 568-562-031021

MOC Points

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 3.0 medical knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credit claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
