#### Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through joint providership of the Warren Alpert Medical School of Brown University and the New England Dermatological Society. The Warren Alpert Medical School of Brown University is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

#### AMA Credit Designation Statement

Physicians: The Warren Alpert Medical School of Brown University designates this live activity for a maximum of 4.5 *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

#### As a result of participating in this activity, learners will be able to:

1. Identify signs, symptoms, and pathophysiology of dermatological diseases and conditions, including rare and unusual dermatological diseases
2. Formulate a diagnosis and describe evidence-based practices for treatment of dermatological diseases and conditions
3. Gain appreciation for diagnostic and therapeutic nuances of pediatric vascular anomalies
4. Understand and apply the use of oral minoxidil in the treatment of androgenetic alopecia
5. Gain an understanding of phenol-croton oil peels
