

Improving the Care of Patients with Sickle Cell Disease

September 27, 2021 | 12:00 - 1:30 PM

Agenda:

12:00–12:10	Welcome & Introduction Taneisha Wilson, MD, ScM
12:10–12:45	The Acute Care of Patients with SCD Patrick McGann, MD, MS
12:45-12:50	Break
12:50- 1:20	Centering Patient Voices: The Patient Experience with Seeking Acute Care for SCD Patrick McGann, MD, MS
1:20- 1:30	Discussion with Q & A Patrick McGann, MD, MS & Taneisha Wilson, MD, ScM

Speaker:

Patrick McGann MD, MS

Associate Professor, Department of Pediatrics
University of Cincinnati Medical Center
Member, Division of Hematology
Cincinnati Children's Hospital Medical Center
Cincinnati, OH

Program Description:

Sickle cell disease (SCD) is one of the most common genetic hematologic diseases in the world affecting an estimated 100,000 Americans and millions of people across the globe. This educational event will address the acute care of patients with SCD by identifying some emergent presentations as well as highlighting some of the barriers to care patients with SCD may face. These barriers primarily include skepticism and bias which can lead to missed or undertreated devastating sequelae. Patients can also sometimes face challenges accessing, establishing, and maintaining care with physicians. An understanding of the impact of these challenges and the potential harmful outcomes may lead to a decrease their incidence.

Learning Objectives:

1. Review sickle disease as a lifelong disease entity.
2. Describe acute conditions associated with sickle cell disease.
3. Discuss the barriers to care that patients with SCD may face and the intersection of the biases involving chronic pain, chronic illness, and racism.

Course Chair

Taneisha Wilson, MD, ScM

Assistant Professor, Emergency Medicine
Warren Alpert Medical School of Brown University
Attending Physician, The Miriam Hospital & RI Hospital
Brown Physicians, Inc., Providence, Rhode Island

Target Audience

This activity is designed for physicians, physician associates, nurse practitioners, registered nurses, social workers, medical students, residents and fellows providing routine care to patients.

Accreditation

The Warren Alpert Medical School of Brown University is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Physicians: The Warren Alpert Medical School of Brown University designates this live activity for a maximum of *1.5 AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Planning Committee:

Jennifer Maloney

Office of Continuing Medical Education, Warren Alpert Medical School

Maria Sullivan, Director

Office of Continuing Medical Education, Warren Alpert Medical School

Psychologists: The Warren Alpert Medical School of Brown University is approved by the RI Psychological Association to offer continuing education for psychologists. The Alpert Medical School maintains responsibility for the program. This activity is approved for 1.5 Category 1 CE Credits. Credits available to RI licensed psychologists only.

Other Healthcare Providers: Participants will receive a Certificate of Attendance stating this program is designated for 1.5 AMA PRA Category 1 Credit™. Many other disciplines accept AMA PRA Category 1 Credit™ towards re-licensure or recertification. Check with your state licensing board to verify.
