

CUTANEOUS ONCOLOGY: MELANOMA & BEYOND

AN INTERDISCIPLINARY APPROACH FOR BEGINNING & ADVANCED LEARNERS

May 18, 2019

Warren Alpert Medical School of Brown University | Providence, RI

PROGRAM DESCRIPTION

Skin cancer is the most common cancer in the United States, with an estimated 9,500 new cases diagnosed each day. Many patients with advanced disease require interdisciplinary care. The major breakthroughs in skin cancer management is having broad-reaching effects into nearly every specialty. This integrated review is designed to provide the latest evidence on the detection and management of malignant melanoma and other skin cancers. Didactic lectures and interactive case presentations will increase knowledge and improve collaborative approaches to managing both common and complex cases.

LEARNING OBJECTIVES

At the conclusion of this activity participants should be able to:

- Recognize screening strategies for early detection of malignant melanoma and other skin cancers
- Explain pathology reports including recent updates in histopathology staging
- Describe current concepts in the surgical, medical, and radiation therapy management of skin cancers
- Differentiate between old and new modalities for treatment of advanced stage skin cancers and recognize common side effects of new targeted and immunotherapeutics
- Conceptualize interdisciplinary care in cutaneous oncology

TARGET AUDIENCE

Physicians, physician assistants and nurse practitioners specializing in primary care, family medicine, internal medicine, geriatrics, dermatology, surgery, medical oncology, radiation oncology and pathology, and other interested medical providers.

COMPETENCIES AREAS

ABMS: Patient Care & Procedural Skills | Medical Knowledge | Systems-based Practice

IOM: Provide Patient-Centered Care | Work Within Interdisciplinary Teams | Employ Evidenced-Based Practice

PROGRAM AGENDA

7:30–8:00 Am	Breakfast and Registration
8:00–8:10	Welcome and Introductions
8:10–8:30	Skin Cancer Epidemiology: Local and Global Trends Martin A. Weinstock, MD, PhD
8:30–9:00	Pearls from a Dermatopathologist: Refining Melanoma Staging and Navigating Histologic Pitfalls Leslie Robinson-Bostom, MD
9:00–9:10	Break
9:10–9:40	Malignant Melanoma Detection: Essential Evidence for Early Intervention Martin A. Weinstock, MD, PhD
9:40–10:00	Multidisciplinary Tumor Board: Illustrative Cases Conference Faculty
10:00–10:15	Break
10:15–10:45	Current and Evolving Trends in the Surgical Treatment of Malignant Melanoma Michael P. Vezeridis, MD, FACS
10:45–11:15	Breakthroughs in Management of Advanced Stage Malignant Melanoma: What Every Clinician Should Know Maria Constantinou, MD
11:15–11:40	Multidisciplinary Tumor Board: Illustrative Cases Conference Faculty
11:40–12:15 PM	Networking Reception & Light Lunch
12:15–12:45	Advances in Cutaneous Oncology: Managing the Epidemic of Cutaneous Carcinomas Joanna L. Walker, MD
12:45–1:15	The Role of Radiation Therapy for Skin Cancer: Updates and New Technologies M. Yakub Puthawala, MD
1:15–1:30 PM	Conclusions and Final Questions

FACULTY

Maria Constantinou, MD

Symposium Co-Chair

Clinical Assistant Professor of Medicine

Warren Alpert Medical School

Oncologist, Lifespan Cancer Institute

Rhode Island Hospital & The Miriam Hospital

Providence, RI

M. Yakub Puthawala, MD

Clinical Associate Professor of Radiation Oncology

Warren Alpert Medical School

Chief, Brachytherapy Services

Rhode Island Hospital | Providence, RI

Leslie Robinson-Bostom, MD

Professor of Dermatology

Director, Division of Dermatopathology

Warren Alpert Medical School

Rhode Island Hospital & The Miriam Hospital

Providence, RI

Michael P. Vezeridis, MD, FACS

Professor of Surgery

Warren Alpert Medical School

Surgical Oncologist | University Surgical Associates

Rhode Island Hospital | Providence, RI

Joanna L. Walker, MD

Symposium Co-Chair

Assistant Professor of Dermatology,

Clinician Educator Warren Alpert Medical School

Director, Cutaneous Carcinoma Clinic

Brown Dermatology

Rhode Island Hospital & The Miriam Hospital

Director of Dermatology

Rhode Island Free Clinic | Providence, RI

Martin A. Weinstock, MD, PhD

Professor of Dermatology and

Professor of Epidemiology

Director, Cutaneous Oncology

Program & Pigmented Lesions

Warren Alpert Medical School

Rhode Island Hospital, The Miriam

Hospital, Providence VA Medical

Center | Providence, RI

Siana Wood RN, BSN

Nurse Care Manager

Thundermist Health Center | West Warwick, RI

REGISTRATION INFORMATION

REGISTRATION FEES

\$100.00 All Healthcare Professionals \$25.00 Students, Residents, Fellows

Conference registration fee includes: breakfast, breaks, lunch, on-site parking and access to an online syllabus.

Register online: <https://cme-learning/brown.edu/Melanoma-19>

CONFERENCE LOCATION

Warren Alpert Medical School of Brown University, 222 Richmond Street, Providence, RI 02912

PARKING will be available in the parking garage connected to the Medical Building, located on the corner of Richmond and Elm Streets.

CANCELLATION POLICY

Cancellations/substitutions must be made in writing to the Brown CME Office at least two weeks prior to the conference, no later than May 3, 2019. A \$25.00 administrative fee will be charged for all refunds (no refunds for "no shows"). There will be no additional charge for substitutions. This conference is subject to change or cancellation.

CONTINUING EDUCATION AND MAINTENANCE OF CERTIFICATION

CME ACCREDITATION

The Warren Alpert Medical School of Brown University is accredited by the ACCME to provide continuing medical education for physicians.

CREDIT DESIGNATIONS

Nursing: This activity has been submitted to Northeast Multi-State Division (NE-MSD) for approval to award nursing contact hours. Northeast Multistate Division (NE-MSD) is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Physicians: The Warren Alpert Medical School of Brown University designates this live activity for a maximum of 4.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Physician Assistants & Nurse Practitioners: Participants will receive a Certificate of Attendance stating this program is designated for 4.5 hours AMA PRA Category 1 Credits™. This credit is accepted by the AAPA and AANP.

MOC POINTS

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 4.5 medical knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credit claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

FOR MORE INFORMATION, CONTACT THE BROWN CME OFFICE

233 Richmond St., G-R156, Providence, RI 02912

P: 401.863.2871 | F: 401.863.2202 | E: CME@Brown.edu | Web: www.brown.edu/cme

Please notify the Brown CME Office in writing at least two weeks prior to the conference to request reasonable accommodations.
