

2024 RHODE ISLAND STROKE SYMPOSIUM

FRIDAY, SEPTEMBER 20, 2024

PROVIDENCE MARRIOTT DOWNTOWN & LIVE STREAMED VIA ZOOM

THE RHODE ISLAND STROKE SYMPOSIUM SEEKS TO INTEGRATE THE MOST ADVANCED RESEARCH AND MEDICAL KNOWLEDGE IN THE TREATMENT OF STROKE AND PROVIDE A FORUM FOR DISSEMINATION OF THAT KNOWLEDGE. THE GOALS OF THE PROGRAM ARE TO PROVIDE AN UPDATE ON STATE-OF-THE-ART ACUTE STROKE EVALUATION TREATMENT AS PRACTICED AT A COMPREHENSIVE STROKE CENTER AND TO ENHANCE THE CARE OF STROKE PATIENTS IN RHODE ISLAND AND THE WIDER NEW ENGLAND REGION.

JOINTLY PROVIDED BY

THE WARREN ALPERT MEDICAL SCHOOL OF BROWN UNIVERSITY AND THE
COMPREHENSIVE STROKE CENTER AT RHODE ISLAND HOSPITAL *IN COLLABORATION WITH*
THE DEPARTMENT OF NEUROLOGY & NEUROVASCULAR CENTER

PLEASE REGISTER TODAY TO SECURE YOUR SPOT!
REGISTER AT THE LINK BELOW TO PARTICIPATE IN-PERSON OR VIRTUALLY

2024 RHODE ISLAND STROKE SYMPOSIUM

2024 RHODE ISLAND STROKE SYMPOSIUM

TARGET AUDIENCE

Regional primary care and specialist physicians, including emergency physicians, neurologists, cardiologists, radiologists, surgeons, nurse practitioners, registered nurses, paramedics, pharmacists, physical therapists, occupational therapists, speech therapists, social workers, advanced practice professionals, residents, fellows, medical students and other allied members of the healthcare team.

LEARNING OBJECTIVES

AT THE CONCLUSION OF THE SYMPOSIUM, PARTICIPANTS SHOULD BE BETTER ABLE TO:

- Recognize the critical role of EMS in field diagnosis, triage, and treatment of acute stroke
- Outline best practices for emergency department stroke triage and care
- Explain how to improve stroke management at a statewide level
- Outline the evolution of nursing in stroke care
- Delve into the latest advances in endovascular stroke treatment
- Identify and manage patients with vascular causes of headaches and neck pain in the ER
- Describe best practices for patients with minor stroke

- Summarize key contraindications to stroke thrombolysis
- Compare medical and endovascular treatment options for symptomatic intracranial atherosclerotic disease (ICAD)
- Discuss novel lipid-lowering therapies in secondary stroke prevention
- Review key antiplatelet therapies post-stroke
- Summarize current challenges of stroke prevention in atrial fibrillation
- Select patients and strategies for high-yield cardiac monitoring post-stroke
- Study latest updates in cerebral venous thrombosis
- Apply novel findings in evaluation and treatment of cervical artery dissection
- Offer insights into contemporary evaluation and management of Moya-moya disease
- Navigate stroke in pregnancy
- Recognize psychological effects of stroke on the individual and their families
- Identify the role of early mobilization post-stroke
- Evaluate and manage dysphagia post-stroke
- Select advanced neuroimaging options in acute stroke
- Discuss options for advanced neuroimaging for intracerebral hemorrhage
- Identify novel biomarkers for cerebral amyloid angiopathy
- Become familiar with latest updates in evaluation and management of dural arteriovenous fistulas (dAVF)
- Navigate acute stroke care in Alzheimer patients on anti-amyloid therapy

CONTINUING EDUCATION

ACCREDITATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Warren Alpert Medical School of Brown University and the Comprehensive Stroke Center at Rhode Island Hospital. The Warren Alpert Medical School of Brown University is accredited by the ACCME to provide continuing medical education.

CREDIT DESIGNATIONS

PHYSICIANS

The Warren Alpert Medical School of Brown University designates this live activity for a maximum of 8.0 *AMA PRA Category 1 Credit(s)*™.

Physicians should claim only the credit commensurate with the extent of their participation in the activity.

PHYSICAL THERAPISTS

THE APTA RHODE ISLAND HAS APPROVED THE 2024 RI STROKE SYMPOSIUM FOR 8.0 CREDITS.

SOCIAL WORKERS

The above program has been approved in accordance with the Regulations of the Rhode Island Social Work Board of Licensure.

Pre-Hospital Continuing Education

This continuing education activity is approved by the Commission on Accreditation for Pre-Hospital Continuing Education (CAPCE) Course #: 24-WAMS-F1-9204, CEH Number and Type: 8.00 FR. CAPCE represents that this program has met standards for accreditation and does not endorse the opinions or content presented.

Continuing Nursing Education

This nursing continuing professional development activity was approved by the Center for Professional Practice and Innovation, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

FRIDAY, SEPTEMBER 20, 2024

7:30 - 7:35 am	Welcome & Introduction	Christoph Stretz, MD, FAAN, FANA & Shadi Yaghi, MD, FAHA	12:35-1:05 pm	The Stroke Patient in the Neurocritical Care Unit - an Interactive, Case-based Approach	Thanujaa Subramaniam, MD & Leslie Kimpler, DO
7:35 - 8:45 am	Pre-hospital and ED Evaluation of Stroke Field Diagnosis, Treatment, and Triage for Suspected Acute Stroke Triage and Stroke Care in the ED The Stroke Task Force - how to improve care at the statewide level Then to Now- A 28-Year Perspective on the Evolution of Nursing in Stroke Care <i>* Topic Discussion</i>	TOPIC BLOCK 1 John Potvin, BS, NRP, EMS I/C, CEMSO Andrew Buksar, RN, MSN, CEN Gino Paolucci, DNP, ACNP-BC, ANVP-BC Kimberly Murdoch, BSN, SCRn, CNRN	1:05-1:55 pm	What is New? Cerebral Venous Thrombosis Cervical Artery Dissection Moyamoya Medical Management Stroke in Pregnancy <i>*Topic Discussion</i>	TOPIC BLOCK 4 Karen Furie, MD, MPH, FAHA Shadi Yaghi, MD, FAHA Tina Burton, MD, MFA Eliza Miller, MD, MS
8:45 - 9:55 am	Acute Stroke Updates on Endovascular Treatment in Acute Ischemic Stroke - What's New? A Pain in the Neck: Vascular Causes of Headaches and Neck Pain in an ED What is Minor Stroke? "Are there contraindications to Thrombolysis?" <i>* Topic Discussion</i>	TOPIC BLOCK 2 Krisztina Moldovan, MD Samuel Goldman, MD, MPH Joshua Willey, MD, MS Eva Mistry, MBBS, MSCI, FAHA	1:55-2:50 pm	Stroke Recovery/Stroke Rehab Effects of Stroke on the Individual & Their Families Early Mobilization After Stroke - Crucial Role of PT and OT Navigating Post-stroke Dysphagia <i>*Topic Discussion</i>	TOPIC BLOCK 5 Marcia Liss, PhD Christina Beltis PT, DPT, CBIS Kristin Perrino, MS, CCC-SLP
9:55 - 10:25 am	Morning Break & Visit Exhibits		2:50- 3:20 pm	Afternoon Break & Visit Exhibits	
10:25-10:55 am	Debate 1: Endovascular Treatment vs. Medical Management for Symptomatic ICAD	Radmehr Torabi, MD vs Shyam Prabhakaran, MD, MS	3:20 - 3:50 pm	Debate #2 - Advanced Imaging for All	Thanh Nguyen, MD vs Bruce Campbell, MBBS(Hons), BMedSc, PhD, FRACP
10:55-12:05 am	Secondary Stroke Prevention Novel Treatments in Stroke Prevention Antiplatelets for Stroke Prevention in a Nutshell Challenges of Current Stroke Prevention Strategies in Atrial Fibrillation Cardiac Monitoring for Atrial Fibrillation After Stroke: Who and How Long? <i>*Topic Discussion</i>	TOPIC BLOCK 3 Karen Aspry, MD, MS, FACC, FNLA, FAHA Katherine Harte, PharmD, BCACP Daniel Philbin, Jr., MD, FACC, FHRS Farhan Khan, MD, MS	3:50 - 4:50 pm	Intracranial Hemorrhage and Vascular Malformations Advanced neuro-imaging in ICH - who, when, and why? Novel Biomarkers for Cerebral Amyloid Angiopathy Updates on Evaluation and Management of dAVF Detection and Safe Management of Amyloid-related Imaging Abnormalities <i>*Topic Discussion</i>	TOPIC BLOCK 6 Christoph Stretz, MD, FAAN, FANA Steven M. Greenberg, MD, PhD, FAHA Dylan Wolman, MD Stephen Salloway, MD, MS
12:05-12:35 pm	LUNCH BREAK & Visit Exhibits		4:50 - 5:00 pm	Closing remarks	

COURSE DIRECTORS

Christoph Stretz, MD, FAAN, FANA

Associate Professor of Neurology and Neurosurgery
The Warren Alpert Medical School of Brown University
Neurologist, Divisions of Vascular Neurology & Neurocritical Care
Comprehensive Stroke Center
Rhode Island Hospital
Providence, Rhode Island

Shadi Yaghi, MD, FAHA

Associate Professor of Neurology
The Warren Alpert Medical School of Brown University
Co-Director, Comprehensive Stroke Center
Rhode Island Hospital
Director, Vascular Neurology
Lifespan Health System
Providence, Rhode Island

SPEAKERS

Karen Aspary, MD, MS, FACC, FNLA, FAHA

Associate Professor of Medicine
The Warren Alpert Medical School of Brown University
Director, Lipid and Prevention Program
Lifespan Cardiovascular Institute
Providence, RI

Christina Beltis, PT, DPT, CBIS

Physical Therapist
Department of Rehabilitation
Rhode Island Hospital
Providence, RI

Andrew Buksar, MSN, RN, CEN

Staff Nurse, Emergency Department
Rhode Island Hospital
Providence, RI

Tina M. Burton, MD, MFA

Associate Professor of Neurology
The Warren Alpert Medical School of Brown University
Vascular Neurologist
Comprehensive Stroke Center
Rhode Island Hospital
Providence, RI

Professor Bruce Campbell MBBS(Hons) BMedSc PhD FRACP

Professor of Neurology
University of Melbourne
Director of Neurology and Stroke
Royal Melbourne Hospital
Parkville, Australia

Karen Furie, MD, MPH, FAHA

Samuel I. Kennison, M.D., and Bertha S. Kennison Professor of
Clinical Neuroscience
Professor of Neurology, Chair of Neurology
The Warren Alpert Medical School of Brown University
Chief of Neurology
Rhode Island Hospital, The Miriam and Bradley Hospitals
Providence, RI

Samuel Goldman, MD, MPH

Assistant Professor of Emergency Medicine, Clinician Educator
The Warren Alpert Medical School of Brown University
Attending Physician, Brown Emergency Medicine
Rhode Island Hospital
Providence, RI

Steven M. Greenberg, MD, PhD, FAHA

Professor of Neurology
Harvard Medical School
John J. Conway Endowed Chair
Department of Neurology
Massachusetts General Hospital
Boston, MA

Katherine Harte, PharmD, BCACP

Clinical Pharmacist Specialist
Department of Neurology
Rhode Island Hospital
Providence, RI

Farhan Khan, MD, MS

Assistant Professor of Neurology
The Warren Alpert Medical School of Brown University
Vascular Neurologist
Comprehensive Stroke Center
Rhode Island Hospital
Providence, RI

Leslie Kimpler, DO

Assistant Professor of Neurology and Neurosurgery
The Warren Alpert Medical School of Brown University
Neurologist, Neurocritical Care Unit of the Norman Prince
Neurosciences Institute at Lifespan
Rhode Island Hospital
Providence, RI

Marcia Liss, PhD

Clinical Assistant Professor of Psychiatry and Human Behavior
The Warren Alpert Medical School of Brown University
Psychologist
Lifespan Physician Group
Providence, RI

Eliza Miller, MD, MS

Associate Professor of Neurology
Vascular Neurologist, Division of Stroke and Cerebrovascular Disease
Columbia University
Director, Neurovascular Care
Mothers Center
New York Presbyterian Hospital
New York, NY

Eva Mistry, MD, MSc., FAHA

Associate Professor
Clinical Neurology & Rehabilitation Medicine
University of Cincinnati College of Medicine
Cincinnati, OH

Krisztina Moldovan, MD

Assistant Professor of Neurosurgery
The Warren Alpert Medical School of Brown University
Co-Director of Endovascular Neurosurgery Program
Rhode Island Hospital
Providence, RI

Kimberly Murdoch, BSN, SCRNP, CNRN

Stroke and Neuroscience Certified Registered Nurse
Rhode Island Hospital
Providence, RI

Thanh Nguyen, MD

Professor of Radiology, Neurosurgery and Radiology
Boston University Chobanian and Avedisian School of Medicine
Neurologist and Director of Interventional Neurology/Neuroradiology
Boston Medical Center
Boston, MA

Gino A. Paolucci, DNP, ACNP-BC, ANVP-BC

Neurovascular APP Manager
Stroke and Neurointerventional Radiology
Rhode Island Hospital Neurovascular Center
Director, Helen Buchanan Neuroscience APP Fellowship
Rhode Island Hospital
Providence, RI

Kristin Perrino, MS, CCC-SLP

Speech Language Pathologist
Department of Rehabilitation
The Miriam Hospital
Providence, RI

Daniel M. Philbin, Jr. MD, FACC, AHRS

Assistant Professor of Medicine, Clinician Educator
The Warren Alpert Medical School of Brown University
Director, Arrhythmia Service
Lifespan Cardiovascular Institute
Providence, RI

John Potvin, BS, NRP, EMS I/C, CEMSO

Director, Division of Emergency Medical Services
Deputy Emergency Management Director
East Providence Fire Department
East Providence, RI

Shyam Prabhakaran, MD, MS, FAHA, FANA

James Nelson and Anna Louise Raymond Professor and Chair of Neurology
The University of Chicago Biological Sciences Division
Neurologist-in-Chief
University of Chicago Medicine
Chicago, IL

Stephen Salloway, MD, MS

Professor of Psychiatry and Human Behavior
Professor of Neurology
Associate Director, Brown Center for Alzheimer's Disease Research
The Warren Alpert Medical School of Brown University
Founding Director, Memory and Aging Program
Butler Hospital
Providence, RI

Thanujaa Subramaniam, MD

Assistant Professor of Neurology and Neurosurgery
The Warren Alpert Medical School of Brown University
Neurocritical Care Director of Quality and Safety
Neurologist, Neurocritical Care
Rhode Island Hospital
Providence, RI

Radmehr Torabi, MD

Assistant Professor of Neurosurgery and Diagnostic Imaging
The Warren Alpert Medical School of Brown University
Co-Director of the Comprehensive Stroke Center
Co-Director of Endovascular Neurosurgery
Rhode Island Hospital
Providence, RI

Joshua Willey, MD, MS

Associate Professor of Neurology
Columbia University Vagelos College of Physicians and Surgeons
Attending Neurologist, Stroke Service
New York Presbyterian Hospital
New York, NY

Dylan Wolman, MD

Assistant Professor of Diagnostic Imaging
The Warren Alpert Medical School of Brown University
Neurointerventional Radiologist, Rhode Island Hospital
Providence, RI

Nakeesha Brown
Stroke Program Secretary
Comprehensive Stroke Center
Rhode Island Hospital
Providence, Rhode Island

Melissa M. Harmon, MSN, RN, ASC-BC
Manager, Comprehensive Stroke Center
Rhode Island Hospital
Providence, Rhode Island

Michelle King
CME Coordinator
Office of Continuing Medical Education
The Warren Alpert Medical School of Brown University
Providence, Rhode Island

Jennifer Maloney
Assistant Director, CME Accreditation and Special Projects
Office of Continuing Medical Education
The Warren Alpert Medical School of Brown University
Providence, Rhode Island

Captain John H. Potvin, BS, NRP, EMS I/C, CEMSO
Director, Division of Emergency Medical Services
Deputy Emergency Management Director
East Providence Fire Department
East Providence, RI

Stephanie Souza, MSN, RN
Assistant Clinical Manager
Comprehensive Stroke Center
Rhode Island Hospital
Providence, Rhode Island

Christoph Stretz, MD, FAAN, FANA
Associate Professor of Neurology & Nuerosurgery
The Warren Alpert School of Medicine of Brown University
Neurologist, Divisions of Vascular Neurology & Neurocritical Care
Comprehensive Stroke Center
Rhode Island Hospital
Providence, Rhode Island

Maria Sullivan
Director
Office of Continuing Medical Education
The Warren Alpert Medical School of Brown University
Providence, Rhode Island

Shadi Yaghi, MD, FAHA
Associate Professor of Neurology
The Warren Alpert Medical School of Brown University
Co-Director, Comprehensive Stroke Center
Rhode Island Hospital
Director, Vascular Neurology
Lifespan Health System
Providence, Rhode Island
