DATE	Wednesday, September 4, 2024
TIME	12:00 pm – 1:00 pm
PLACE	Claverick Building, 1 st Floor Conference Room https://brown.zoom.us/j/96904794151 Meeting ID: 969 0479 4151 Passcode: Brownem

TITLE: Data-Driven Leadership: Transforming Emergency Medicine

Objectives:

After this session, the participants should be better able to:

1. Define data-driven leadership and its importance in healthcare.
2. Explore methods to leverage data for improving operational efficiencies in emergency departments.
3. Discuss the challenges and solutions in implementing data-driven initiatives in emergency medicine.
4. Examine emerging trends in data analytics and their potential impact on emergency medicine.

Disclosure Information: The Warren Alpert Medical School of Brown University is committed to presenting CME activities that promote improvements and/or quality in health care and are developed free of the control of ineligible companies. It is our policy to ensure that our activities are balanced, independent, objective, scientific, and in compliance with ACCME and other regulatory requirements. Anyone who is in a position to control the content of a CME presentation is expected to disclose all financial relationships he/she has had within the past 24 months with ineligible companies. All disclosures have been reviewed and any potential conflicts of interest have been mitigated prior to this presentation by the Brown University CME Office. This activity may include discussion of off-label or investigative drugs uses. Speakers are aware that it is their responsibility to disclose to the audience this information.

Speaker Disclosure: Dr. Seth Gemme has nothing to disclose.
