Learning Objectives

At the conclusion of this educational activity participants should be able to:

- Describe current trends in cardiovascular care.
- Develop awareness of changes with ACC/AHA guidelines for complex cardiovascular disease states.
- Improve secondary prevention outcomes of cardiovascular disease.
- Identify sources of technology and health information in cardiovascular patients.

Accreditation:

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Warren Alpert Medical School of Brown University and The Rhode Island Chapter of the American College of Cardiology. The Warren Alpert Medical School of Brown University is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation:

The Warren Alpert Medical School of Brown University designates this live activity for a maximum of 5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This continuing nursing education activity was approved by the Northeast Multistate Division, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

4.75 Contact Hours until April 17, 2021.
